SPONSORING

Take the chance and present your brand & company in one of the upcoming **SABO|TAGE live shows**. Gigs in clubs and unusual locations are being planned.

The potential for your brand 'SABO|TAGE Ambassador'

The planned shows take place at special locations such as urban clubs or stylish event venues and offer the ideal stage for brand presentations that are designed to attract attention and inspire.

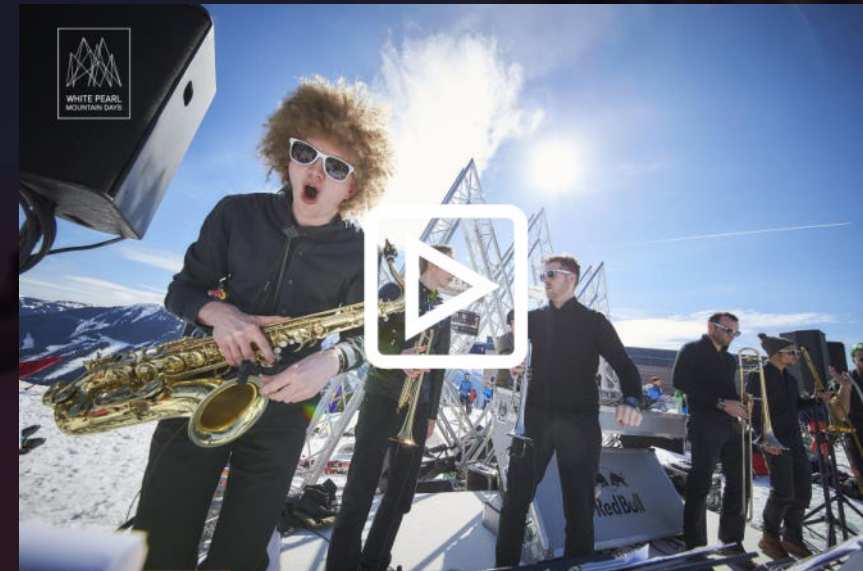

Exclusive placement of your brand - be it via themed bars, live visuals or interactive installations - turns the event into a personalised experience for guests and anchors your brand in their minds for the long term.

Diverse touchpoints and sustainable reach

In addition to the on-site shows, SABO|TAGE offers numerous digital points of contact. From social media content to possible collaborations for exclusive video productions - we integrate your brand seamlessly and authentically. Another highlight: there is even the option of creating your own brand song that musically captures the spirit of your brand and sustainably strengthens your presence through SABO|TAGE.

Why SABO|TAGE as an Accelerator?

SABO|TAGE offers access to a dynamic, culturally aware and brand-conscious audience that loves experiences and values quality.

Co-operating with a project that combines music and innovation adds an extra dimension to your brand and creates lasting brand experiences that will be positively and uniquely remembered.

Let's talk about – get in touch here!

UNIQUE EXPERIENCE

The various fantastic musical components of the orchestra combine to create a special magic that has developed in classical music over the centuries. Combined with the electronic music and the constant pulse of DJ Pete Sabo, this sound matures impressively into a completely new experience.

SOLD OUT EVENTS

Since the first SABO|TAGE at the Brucknerhaus Linz and other venues, the events have always sold out. The high quality of the music and the entire show with all its visual aspects has long since attracted fans and supporters throughout the country and beyond.

PETE SABO BURNING MAN (USA)

In 2025, Pete Sabo made his long-awaited debut at Burning Man, bringing his signature sound to one of the world's most iconic cultural gatherings.

His set captured the spirit of the Playa, blending deep emotion with hypnotic grooves in a truly unforgettable performance.

The milestone marked a new chapter in Sabo's career, cementing his place among the international artists shaping today's electronic music landscape.

KLANGWOLKE

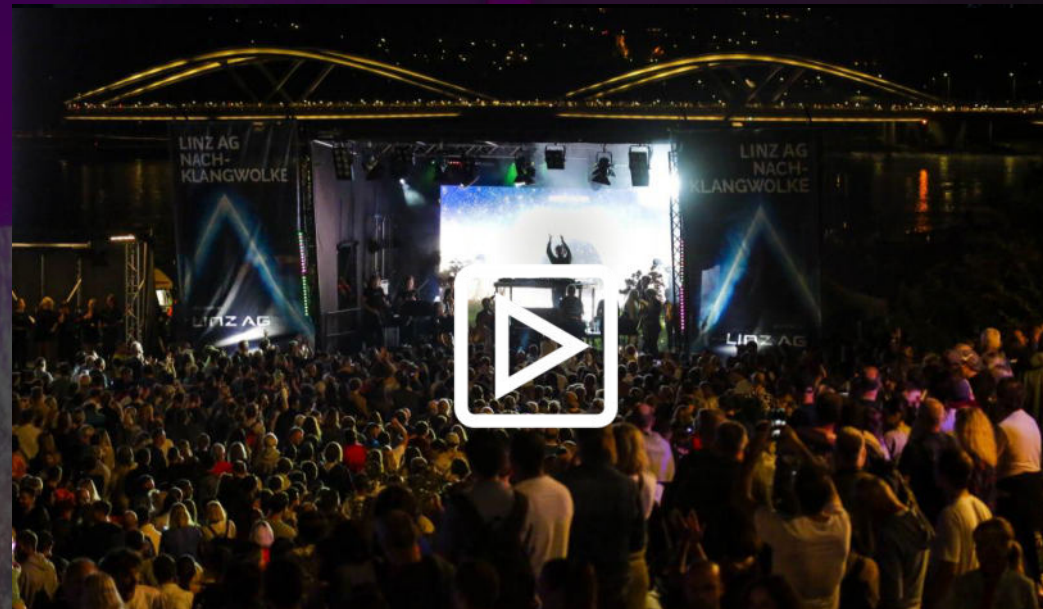

100,000 visitors experienced the performance of Pete Sabo & SABO|TAGE in Linz (Austria) in 2023 & 2024.

A magical and unforgettable moment for visitors, musicians and artists together.

The Visualised Klangwolke transforms the Danube Park between the Lentos and the Brucknerhaus into an open-air stage.

Every year, the Klangwolke tells a new story accompanied by modern music, lasers, video projections, ships and other elements. The Danube and its banks form a unique backdrop for the theme, which changes every year.
